

BANKSIA PRODUCT LIST 2008

DOA SURFACE DETECTION KITS

<u>Prod. No.</u>	<u>Description</u>	<u>Details</u>
AEROSOL KITS		
1004	Drug Detection Kit	Regular Size Cannabispray-1, Cannabispray-2, Herosol, Coca-Test, 2 Collection Paper Dispensers, Packed in R1 Carrying Case
1014	Mini Drug Detection Kit	Cannabispray-1Mini, Cannabispray-2 Mini, Herosol Mini, Coca-Test Mini, 1 Collection Paper Dispensers, Packed in R2 Carrying Case.
1016	Mini Drug Detection Kit (Enhanced)	Same as kit #1014 with addition of Meth' Test-1 (Mini) and Meth' Test-2 (Mini), 3 collection paper Dispensers, 1 Test Paper Dispenser Packed in L1 Carrying case
1074	Drug Detection Kit (Extended)	Cannabispray-1, Cannabispray-2, Herosol, Coca-Test, 6 Collection Paper Dispensers, Packed in R1 Carrying Case
1002	2nd Generation kit	D4D, Coca Test, 2 Collection Paper Dispensers, 2 Test Paper Dispensers, Packed in R1 Carrying Case
1022	2nd Generation Mini kit	Same as kit #1002, but all cans are Mini size, 1 Collection Paper Dispensers, 1 Test Paper Dispensers, Packed in R2 Carrying Case
1025	Micro drug kit	Cannabispray-1, Cannabispray-2, Herosol, Coca-Test, Meth' Test-1, Meth' Test-2, 3 Collection Paper Pads, 1 Test Paper Pad, Packed in R2 Carrying Case
CANS		
Regular Size (100 tests per can)		
1030	Cannabispray-1	Hashish and Marijuana. To be used w/ #1040
1040	Cannabispray-2	Hashish and Marijuana. To be used w/ #1030
1110	Herosol	Heroin.
1200	Coca-Test	Cocaine, Crack, Lidocaine and related drugs.
1410	Meth'-Test-1	Methamphetamines. To be used w/ #1420
1420	Meth'-Test-2	Methamphetamines. To be used w/ #1410
1610	Barbitusol	Barbiturates.
1710	D4D	Hashish & Marijuana, Heroin, Cocaine & Crack, Amphetamines and Methamphetamines
Mini Size Cans (50 tests per can)		
1035	Cannabispray-1 (Mini)	Hashish and Marijuana. To be used w/ #1045
1045	Cannabispray-2 (Mini)	Hashish and Marijuana. To be used w/ #1035
1115	Herosol (Mini)	Heroin.
1205	Coca-Test (Mini)	Cocaine, Crack, Lidocaine and related drugs.
1415	Meth'-Test-1 (Mini)	Methamphetamines. To be used w/ #1425
1425	Meth'-Test-2 (Mini)	Methamphetamines. To be used w/ #1415
1615	Barbitusol (Mini)	Barbiturates.
1715	D4D (Mini)	Hashish & Marijuana, Heroin, Cocaine & Crack, Amphetamines and Methamphetamines
Micro Size Cans (10 tests per can)		
1033	Cannabispray-1 (Micro)	Hashish and Marijuana. To be used w/ #1042
1043	Cannabispray-2 (Micro)	Hashish and Marijuana. To be used w/ #1032
1113	Herosol (Micro)	Heroin
1203	Coca-Test (Micro)	Cocaine, Crack, Lidocaine and related drugs.
1413	Meth Test 1 (Micro)	Methamphetamines (Extasy). To be used w/ #1423
1423	Meth Test 2 (Micro)	Methamphetamines (Extasy). To be used w/ #1413
1744	D4D (Micro)	Hashish & Marijuana, Heroin, Cocaine & Crack, Amphetamines and Methamphetamines

PAPERS

530	Collection Paper Dispenser	For use with cannabispray, Expray Herisol New, CocaTest, Barbitusol
630	Test Papers Dispenser	For use with Meth-Test
532	Collection Paper pad (10 Pieces)	For use with Micro size cannabispray, Herisol New, CocaTest.
632	Test Paper pad (10 Pieces)	For use with Micro size Meth-Test
832	DetectNow M Instruction card and test pad (10 Pieces)	For use with Detect Now (Hashish & Marijuana)
932	DetectNow C Instruction card and test pad (10 Pieces)	For use with Detect Now (Cocaine & Crack)

PLASTIC CASES

5020	Plastic case R1	3 cradles for regular cans, 2 cradles for papers dispensers.
5021	Plastic case R1	4 cradles for regular cans, 7 cradles for papers dispensers.
5022	Plastic case R2	2 cradles for regular cans, 4 cradles for paper dispensers.
5031	Plastic case R4	3 cradles for Mini cans, 1 cradles for papers dispensers.
5032	Plastic case R5	2 cradles for Mini cans, 2 cradles for paper dispensers.
5040	Plastic case L1	For kit #1016

Prod. No. **Description** **Details**

SURFACE SWAB TESTS

Z05585	AMP, COC, THC, MET, MOP, PCP	25 tests
Z05590	AMP - Amphetamines	10 tests
Z05591	COC – Cocaine/Crack	10 tests
Z05592	M-AMP – Methamphetamine/Ecstasy	10 tests
Z05593	MOR – Morphines/Opiates/Heroin	10 tests
Z05594	THC – Cannabis/Marijuana	10 tests

SURFACE WIPE TESTS

M-AMP-1T	Amphetamines strips, cut-off 1000ng/mL; extraction buffer, swaps and test tubes
M-AMP-2T	MDA (Methylenedioxyamphetamine) strips, cut-off 500ng/mL; extraction buffer, swaps and test tubes
M-AMP-3T	Amphetamines strips, cut-off 300ng/mL; extraction buffer, swaps and test tubes
M-BAR-1T	Barbiturates strips, cut-off 300ng/mL; extraction buffer, swaps and test tubes
M-BZO-1T	Benzodiazepines strips, cut-off 300ng/mL; extraction buffer, swaps and test tubes
M-BUP-1T	Buprenorphine strips, cut-off 20ng/mL; extraction buffer, swaps and test tubes
M-COC-1T	Cocaine strips, cut-off 2000ng/mL; extraction buffer, swaps and test tubes
M-COC-2T	Cocaine strips, cut-off 1000ng/mL; extraction buffer, swaps and test tubes
M-MET-1T	Methamphetamines strips, cut-off 1000ng/mL; extraction buffer, swaps and test tubes
M-MET-2T	MDMA (Methylenedioxymethamphetamine) strips, cut-off 1000ng/mL; extraction buffer, swaps and test tubes
M-MET-3T	Methamphetamines strips, cut-off 300ng/mL; extraction buffer, swaps and test tubes
M-MTD-1T	Methadone strips, cut-off 300ng/mL; extraction buffer, swaps and test tubes
M-MOR-1T	Morphine / Opiates strips, cut-off 300ng/mL; extraction buffer, swaps and test tubes
M-MOR-2T	Morphine / Opiates strips, cut-off 2000ng/mL; extraction buffer, swaps and test tubes
M-MOR-3T	Morphine / Opiates strips, cut-off 100ng/mL; extraction buffer, swaps and test tubes
M-PCP-1T	Phencyclidine strips, cut-off 25ng/mL; extraction buffer, swaps and test tubes
M-TCA-1T	Tricyclic Antidepressants strips, cut-off 1000ng/mL; extraction buffer, swaps and test tubes

NARCOWIPES**Semi-Quantitative Surface Testing for Clandestine Labs - Deluxe NarcoWipes Kits**

	Deluxe NarcoWipes Kit for Surface Testing (20 tests)
20002000	from each of the 8 NarcoWipes Kits below: Acid/Base NarcoWipe Kit; Amphetamine/Meth NarcoWipe Kit; Iodine NarcoWipe Kit; Lead NarcoWipe Kit; Mercury NarcoWipe Kit; Methamphetamine NarcoWipe Kit; Nickel NarcoWipe Kit; Red Phosphorous NarcoWipe Kit)
20003000	Deluxe NarcoWipe Kit for Red Phosphorus / Iodine Labs. Includes 40 tests each of Amphetamine/Methamphetamine, Iodine, and Methamphetamine NarcoWipes, 20 tests each of Acid/Base, Nickel, and Red Phosphorus NarcoWipes in a sturdy Pelican case. Includes laminated operating instructions

Semi-Quantitative Surface Testing for Clandestine Labs - Individual NarcoWipes Kits

20300000	Acid/Base NarcoWipe Kit (20 wipes, 20 sample bags, Acid/Base NarcoWipe Kit Manual, and storage box)	
20310000	Amphetamine/Methamphetamine NarcoWipe Kit (20 wipes, 1 wetting solution, 2 developing solutions, 20 sample bags, Amphetamine/Methamphetamine NarcoWipe Kit Manual, and storage box)	5 ug / sample
20320000	Iodine NarcoWipe Kit (20 wipes, 1 wetting solution, 20 sample bags, Iodine NarcoWipe Kit Manual, and storage box)	1 ug
20330000	Lead NarcoWipe Kit (20 wipes, 1 wetting solution, 1 developing solution, 20 sample bags, Lead NarcoWipe Kit Manual, and storage box)	5 ug / sample
20340000	Mercury NarcoWipe Kit (20 wipes, 1 wetting solution, 20 sample bags, Mercury NarcoWipe Kit Manual, and storage box)	1 ug
20350000	Methamphetamine NarcoWipe Kit (20 wipes, 1 wetting solution, 1 developing solution, 20 development bag assemblies, 20 sample bags, Methamphetamine NarcoWipes Kit Manual, and storage box)	5 ug / sample
20360000	Nickel NarcoWipe Kit (20 wipes, 1 wetting solution, 2 developing solutions, 20 sample bags, Nickel NarcoWipe Kit Manual, and storage box)	1 ug
20376000	Red Phosphorous NarcoWipe Kit (10 wipes, 1 wetting solution, 1 developing solution ampoule, 1 developing jar, package opener, 10 sample bags, Red Phosphorous NarcoWipe Kit Manual, and storage box)	0.1 mg

Acid/Base NarcoWipe Spare Parts

20305000	Acid/Base NarcoWipe Manual	
20017000	Sample Bags	20 bags

Amphetamine/Methamphetamine NarcoWipe Spare Parts

20312000	Amphetamine Developing Solution 1	0.5 oz
20313000	Amphetamine Developing Solution 2	0.5 oz
20311000	Amphetamine / Methamphetamine NarcoWipes	10 wipes
20317000	Amphetamine / Methamphetamine NarcoWipe Manual	
20017000	Sample Bags (20)	20 bags
20079000	Wetting Solution (Deionized Water)	0.5 oz

Iodine NarcoWipe Spare Parts

20321000	Iodine NarcoWipes	10 wipes
20327000	Iodine NarcoWipe Manual	
20017000	Sample Bags	20 bags
20079000	Wetting Solution (Deionized Water)	0.5 oz

Lead NarcoWipe Spare Parts

20333000	Lead Developing Solution	0.5 oz
20331000	Lead NarcoWipes	10 wipes
20337000	Lead NarcoWipe Manual	
20017000	Sample Bags	20 bags
20079000	Wetting Solution (Deionized Water)	0.5 oz

Mercury NarcoWipe Spare Parts

20341000	Mercury NarcoWipes	10 wipes
20347000	Mercury NarcoWipes Manual	
20349000	Mercury Wetting Solution	0.5 oz
20017000	Sample Bags	20 bags

Methamphetamine NarcoWipe Spare Parts

20359600	Methamphetamine developing bag assembly (10 developing bags w/10 developing solution ampoules)	
20352000	Methamphetamine Developing Solution 1	0.5 oz
20351000	Methamphetamine NarcoWipes	10 wipes
20357000	Methamphetamine NarcoWipe Manual	
20017000	Sample Bags	20 bags
20079000	Wetting Solution (Deionized Water)	0.5 oz

Nickel NarcoWipe Spare Parts

20362000	Nickel Developing Solution 1	0.5 oz
20363000	Nickel Developing Solution 2	0.5 oz
20361000	Nickel NarcoWipes	10 wipes
20367000	Nickel NarcoWipe Manual	
20017000	Sample Bags	20 bags
20079000	Wetting Solution (Deionized Water)	0.5 oz

Red Phosphorous NarcoWipe Spare Parts

20376010	Red Phosphorous NarcoWipes Assembly (10 wipes, 10 developing jars, and 10 developing solution ampoules)	
20377000	Red Phosphorous NarcoWipe Manual	
20379000	Red Phosphorous Package Opener	
20016000	Sample bags	10 bags
20079000	Wetting Solution (Deionized Water)	0.5 oz

Deluxe NarcoWipe Kit Spare Parts

20002100	Laminated operating instructions for Deluxe NarcoWipes Kit	
20003100	Laminated operating instructions for Deluxe NarcoWipe Kit for Red Phosphorus / Iodine Labs	
20003200	Pelican case with foam inserts for Deluxe NarcoWipe Kit for Red Phosphorus / Iodine Labs	
20002200	Pelican case with foam inserts for Deluxe NarcoWipes Kit

BANKSIA PRODUCT LIST 2008

DOA GAS DETECTION KITS

<u>Code</u>	<u>Description</u>	<u>Range</u>	<u>Qty</u>
CLANDESTINE LAB KITS FOR IDENTIFYING UNKNOWN CHEMICALS - GASTEC			
90045	Clandestine Lab Kit for Gas Testing with Gastec Tubes (Gastec Model GV-100 Pump Kit (GV-100-S-TR) with thermal ring, Gastec Detector Tube Handbook, hard shell carrying case, Acid gases tubes (80), Ammonia tubes (3L), Hydrogen chloride tubes (14L), Phosgene tubes (16), and Phosphine tubes (7L).	Depends on chemical	5 bx with 10 tubes each
NOTE: Kit contains 1 box of each type of Gastec tube listed in description. Each box of Gastec tubes contains 10 tubes.			
Clandestine Lab Kits Spare Parts			
STD-200-5	Case with foam inserts for Clandestine Lab Kit (Gastec)		1
GV-100-SHB	Gastec Handbook		1
GV-100-S-TR	Gastec Gas Sampling Pump Kit with Thermal Ring		1
CLANDESTINE LAB KIT DETECTOR TUBES			
80	Acid Gases	1-80 ppm	10
3L	Ammonia	0.5-78 ppm	10
14L	Hydrogen Chloride	0.2-76 ppm	10
16	Phosgene	0.05-20 ppm	10
7L	Phosphine	0.15-5	10
DELUXE NARCO AIRCLEAR KITS FOR DETECTING CLAN LAB GASES AND VAPORS			
DELUXE KITS (ONE PUMP)			
50138000	Deluxe NAC I - 35A Includes Narco 1 Intrinsically Safe Electric Pump w/disposable alkaline battery pack, nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tubes caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.		
50130000	Deluxe NAC I - 35RSD Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and domestic battery charger (120 v / 60 Hz), nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.		
50139000	Deluxe NAC I - 35RSI Includes Narco 1 Intrinsically Safe Electric pump w/rechargeable NiCad battery pack and international battery charger (230 v / 50 Hz), nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.		
50140000	Deluxe NAC I - 35RFD Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and domestic fast battery charger (120 v / 60 Hz), nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.		
50190000	Deluxe NAC I - 35RFI Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and international fast battery charger (230 v / 50 Hz), nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.		
50120000	Deluxe NAC I-M Includes NXP500 Manual Pump, nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.		

50150000 Deluxe NAC II -35A-M Includes NXP500 Manual Pump AND Narco 1 Intrinsically Safe Electric Pump w/disposable alkaline battery pack, nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.

50160000 Deluxe NAC II - 35RSD-M Includes NXP500 Manual Pump AND Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad Battery pack and domestic battery charger (120 v / 60 Hz), nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.

50170000 Deluxe NAC II - 35RSI-M Includes NXP500 Manual Pump AND Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad Battery pack and international battery charger (230 v / 50 Hz), nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert and shoulder strap with pouch.

50180000 Deluxe NAC II - 35RFD-M Includes NX3500 Intrinsically Safe Electric Pump w/rechargeable NiCad Battery pack and international battery charger (120 v / 60 Hz), nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert

50100000 Deluxe NAC II - 35RFI-M Includes NXP500 Pump AND NX3500 Intrinsically Safe Electric Pump w/rechargeable NiCad Battery pack and international fast battery charger (230 v / 50 Hz), nine (9) types of detector tubes (1 box of each detector tube type. Each box contains 10 detector tubes.), 200 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, nine (9) types of restrictor plugs (1 box containing 1 restrictor plug for each detector tube type), one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert

Red Phosphorus / Iodine Kits (One Pump)

50123000 Essential Red P/Iodine - 35A Includes Intrinsically Safe Electric Pump w/disposable alkaline battery pack, five (5) types of detector tubes (1 box each of Acetic Acid, Hydrochloric Acid, Iodine, Phosphine, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with four (4) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert

50124000 Essential Red P/Iodine - 35RSD Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and domestic battery charger (120 v / 60 Hz), five (5) types of detector tubes (1 box each of Acetic Acid, Hydrochloric Acid, Iodine, Phosphine, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with four (4) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert

50125000 Essential Red P/Iodine - 35RSI Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and international battery charger (230 v / 50 Hz), five (5) types of detector tubes (1 box each of Acetic Acid, Hydrochloric Acid, Iodine, Phosphine, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with four (4) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert

50126000 Essential Red P/Iodine - 35RFD Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and domestic fast battery charger (120 v / 60 Hz), five (5) types of detector tubes (1 box each of Acetic Acid, Hydrochloric Acid, Iodine, Phosphine, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with four (4) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert

50127000 Essential Red P/Iodine - 35RFI Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and international fast battery charger (230 v / 50 Hz), five (5) types of detector tubes (1 box each of Acetic Acid, Hydrochloric Acid, Iodine, Phosphine, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with four (4) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert

50128000	Essential Red P/Iodine - 35-M Includes NXP500 Manual Pump, five (5) types of detector tubes (1 box each of Acetic Acid, Hydrochloric Acid, Iodine, Phosphine, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with four (4) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert
Ammonia Kits (One Pump)	
50129000	Essential Ammonia - 35A Includes Narco 1 Intrinsically Safe Electric Pump w/disposable alkaline battery pack, four (4) types of detector tubes (1 box each of Acetic Acid, Ammonia, Hydrochloric Acid, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with five (5) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert
50133000	Essential Ammonia - 35RSD Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and domestic battery charger (120 v / 60 Hz), four (4) types of detector tubes (1 box each of Acetic Acid, Ammonia, Hydrochloric Acid, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with five (5) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert
50134000	Essential Ammonia - 35RSI Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and international battery charger (230 v / 50 Hz), four (4) types of detector tubes (1 box each of Acetic Acid, Ammonia, Hydrochloric Acid, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with five (5) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert
50135000	Essential Ammonia - 35RFD Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and domestic fast battery charger (120 v / 60 Hz), four (4) types of detector tubes (1 box each of Acetic Acid, Ammonia, Hydrochloric Acid, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with five (5) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert
50136000	Essential Ammonia - 35RFI Includes Narco 1 Intrinsically Safe Electric Pump w/rechargeable NiCad battery pack and international fast battery charger (230 v / 50 Hz), four (4) types of detector tubes (1 box each of Acetic Acid, Ammonia, Hydrochloric Acid, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with five (5) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert
50137000	Essential Ammonia - 35-M Includes NXP500 Manual Pump, four (4) types of detector tubes (1 box each of Acetic Acid, Ammonia, Hydrochloric Acid, and Total Organic. Each box contains 10 detector tubes.), 100 tube caps, one (1) pistol grip manifold assembly with filter assembly, two (2) detector tubes card holders with five (5) restrictor plugs in place, one (1) laminated operating instructions, one (1) Narco AirClear Kit Manual, one (1) rugged, waterproof, corrosion-resistant Pelican Case with custom foam insert

Narco AirClear Kit - Accessories

10003100	Extension Cable Assembly (50 ft). Includes 15.24 m (50 ft) zinc-coated steel extension cable is wrapped on a plastic spool for ease of use in remote sampling
10003200	Extension Hose Assembly (15 ft). Includes 4.57 m (15 ft) extension hose for remote sampling
10002700	Extension Hose Assembly (30 ft). Includes 9.2 m (30 ft) extension hose for remote sampling
10002800	Extension Rope Assembly (49 ft). Includes 14.9 m (49 ft) rope for remote sampling.
10005510	PyroPaq - (1) Instant hot pack to bring Narco AirClear Kit tubes to specified operating temperature in cold environments. Manual included
10005550	PyroPaq (5) - Five instant hot packs to bring Narco AirClear Kit tubes to specified operating temperature in cold environments. Manual included.
10005570	PyroPaq Manual
10002600	Telescoping Extension Pole - Extends from 1.2 m (4 ft) to 3.05 m (10 ft) for remote sampling. Use Pump. REQUIRES TELESCOPING EXTENSION POLE BRACKET.
10002500	Telescoping Extension Pole Bracket - Bracket holds telescoping extension pole to Pump

Spares for all Narco AirClear Kits

10001500	Connection Hose (1 ft)
10003300	Filter Assembly
50015130	Locking Cylinder (1)
50035000	Narco AirClear Manual
50017100	Narco AirClear Laminated operating instructions
50010000	Pistol Grip Manifold Assembly
50016000	Restrictor Plugs Assembly
10008300	Shoulder strap and pouch
50203000	Tubes caps (100)
50012900	Tube nipple set (5)
10006900	NXP500 Intrinsically Safe Manual Pump and Bracket Assembly
50022000	Narco1 Intrinsically Safe Electric Pump Assembly with Disposable Alkaline Battery Pack
50018000	Narco1 Intrinsically Safe Electric Pump Assembly with Rechargeable NiCad Battery and Standard Charger-Domestic (120 V / 60 Hz)
50020000	Narco1 Intrinsically Safe Electric Pump Assembly with Rechargeable NiCad Battery and Standard Charger-International (230 V / 50 Hz)
50023000	Narco1 Intrinsically Safe Electric Pump Assembly with Rechargeable NiCad Battery and Fast Charger-Domestic (120 V / 60 Hz)
50024000	Narco1 Intrinsically Safe Electric Pump Assembly with Rechargeable NiCad Battery and Fast Charger-International (230 V / 50 Hz)

Spares for Electric Pumps used in Narco AirClear Kits

10001152	Bracket hand screw
10002300	Bracket for electric pumps
50034000	Disposable alkaline battery pack for Narco 1 pump DOES NOT INCLUDE AA BATTERIES
50037000	Domestic battery charger for Narco 1 pump - fast (100-240 v / 50-60 Hz) Charges NiCad battery pack in 3 hours, 45 minutes
50036000	Domestic battery charger for Narco 1 pump - standard (120 v / 60 Hz)
50033000	Domestic rechargeable NiCad battery pack for Narco 1 pump INCLUDES INDUSTRIAL NICAD BATTERY
10001301	Inlet adapter
50037700	International battery charger for Narco 1 pump - fast (100-240 v / 50-60 Hz) Charges NiCad battery pack in 3 hours, 45 minutes)
50036700	International battery charger for Narco 1 pump - standard (230 v / 50 Hz)
50033700	International rechargeable NiCad battery pack for Narco 1 pump INCLUDES INDUSTRIAL NICAD BATTERY
50019000	Narco 1 Calibration Plug

Spares for Manual Pump used in Narco AirClear Kits

10004000	Lubricant (1 oz)
10006900	NXP500 Manual Pump Bracket Assembly (Pump lubricant not included)

Laminated Operating instructions for Individual Narco AirClear Kits

50017100	Laminated operating instructions for Deluxe NAC I -35A, Deluxe NAC I -35RSD, Deluxe NAC I - 35RSI, Deluxe NAC I -35RFD, Deluxe NAC I -35RFI
----------	---

Pelican Cases for Narco AirClear Kits

50138100	Case with foam insert for Deluxe NAC I -35A
50130100	Case with foam insert for Deluxe NAC I -35RSD
50139100	Case with foam insert for Deluxe NAC I -35RSI
50140100	Case with foam insert for Deluxe NAC I -35RFD
50190100	Case with foam insert for Deluxe NAC I -35RFI
50120100	Case with foam insert for Deluxe NAC I -M
50150100	Case with foam insert for Deluxe NAC II -35A-M
50160100	Case with foam insert for Deluxe NAC II -35RSD-M
50170100	Case with foam insert for Deluxe NAC II -35RSI-M
50180100	Case with foam insert for Deluxe NAC II -35RFD-M
50100100	Case with foam insert for Deluxe NAC II -35RFI-M
50123100	Case with foam insert for Essential Red P / Iodine -35A
50124100	Case with foam insert for Essential Red P / Iodine -35RSD
50125100	Case with foam insert for Essential Red P / Iodine -35RSI
50126100	Case with foam insert for Essential Red P / Iodine -35RFD
50127100	Case with foam insert for Essential Red P / Iodine -35RFI
50128100	Case with foam insert for Essential Red P / Iodine -M
50129100	Case with foam insert for Essential Ammonia -35A
50133100	Case with foam insert for Essential Ammonia -35RSD
50134100	Case with foam insert for Essential Ammonia -35RSI
50135100	Case with foam insert for Essential Ammonia -35RFD
50136100	Case with foam insert for Essential Ammonia -35RFI
50137100	Case with foam insert for Essential Ammonia -M

Tubes Card Holders for Narco AirClear Kits

50001000	Acetic Acid Detector Tube		10
50002000	Ammonia Detector Tube	5 ppm to 70 ppm	10
50008000	Charcoal Sorption Detector Tube	N / A	10
50003000	Hydrochloric Acid Detector Tube	2.5 ppm to 20 ppm	10
50004000	Iodine Detector Tube	0.05 ppm to 4 ppm	10
50005000	Phosgene Detector Tube	0.05 ppm to 2 ppm	10
50006000	Phosphine Detector Tube	0.1 ppm to 1.2 ppm	10
50009000	Silica Sorption Detector Tube	N / A	10
50007000	Total Organic Detector Tube	5 mm to 25 mm	10
50038500	Tubes card holder for Essential Ammonia Narco AirClear Kits		1
50038400	Tubes card holder for Essential Red P / Iodine Narco AirClear Kits	n / a	1
50015100	Tubes card holders (2) DOES NOT INCLUDE RESTRICTOR PLUGS	n / a	1
